Laura Ganger, M.D., F.A.A.D.
Dr. Ganger’s goal is to integrate medical, cosmetic, surgical, and aesthetic expertise to achieve total skin health. She is well respected among her peers, and by many medical students and residents that she helped to educate and train during her academic career. Dr. Ganger’s passion is building a practice that delivers on the highest standard of care and service.

Angela Rondina, M.D., F.A.A.D.
Dr. Rondina is a skin cancer specialist, who focuses on diagnosing and treating skin cancers, in addition to taking care of a full spectrum of medical dermatology concerns. She enjoys taking care of all age groups and is dedicated to educating her patients and the community on the importance of preventative skin care and sun protection.

Elizabeth Gordon Spratt, M.D., F.A.A.D.
Dr. Gordon is a medical and cosmetic dermatologist. She is an expert in the diagnosis and treatment of disorders of the hair, skin, and nails. She treats patients of all ages, men and women, and all skin types. She gained specialized experience in laser and aesthetic dermatology at a well-established private practice in Manhattan. Dr. Gordon is committed to providing empathetic and excellent care for her patients.

Providing expert, personal, state-of-the-art dermatological care alongside an incredible patient experience.
